

## athenahealth Honored in Built In Austin's and Boston's Respected Best Places to Work Lists in 2020

January 22, 2020

WATERTOWN, Mass., Jan. 22, 2020 (GLOBE NEWSWIRE) -- athenahealth, Inc., a leading provider of network-enabled services for ambulatory and enterprise customers nationwide, today announced it was included on [Built In Austin's](#) and [Built In Boston's](#) lists of Best Places to Work in 2020. Companies are selected based on data submitted by companies and their employees.

"We're thrilled to be recognized as one of the 'Best Places to Work' in Austin and Boston by Built In," said Fran Lawler, Chief Human Resources Officer, athenahealth. "We take great pride in creating a healthy and inviting work environment to enable our employees to have more of their 'best days' at work. To be included on this list, especially in competitive and thriving tech communities like Austin and Boston, is a true credit to our great employees. We look forward to continuing to hire new talent to grow our workforce in both cities."

athenahealth was also recognized in Built In Austin's respected [Best Midsize Companies to Work For](#) and [Best Paying Companies](#) lists for 2020.

Maria Christopoulos Katris, CEO and Co-Founder of Built In, said: "We extend our heartfelt congratulations to our 2020 honorees. Built In aims to change lives by connecting talented tech professionals with jobs they were born to do. These companies have become part of that mission because they stand for more than just the work they're doing. They stand for their people and purpose."

Athenahealth employees are empowered to push the boundaries to make healthcare smarter. The company's success is dependent on the diversity, collective spirit, and contributions of its people, clients, and partners. United by the company's vision and driven by an entrepreneurial spirit, athenahealth employees' work is collaborative, transformative and meaningful. ### **Best Places to Work Methodology:**

Built In's Best Places to Work list rates companies algorithmically based on compensation data and employer benefits. Rank is determined by combining a company's score in each of these categories.

Built In's Best Midsize Companies list rates companies with 101-500 employees algorithmically based on compensation data and employer benefits. Rank is determined by combining a company's score in each of these categories.

Built In's Best Paying Companies list rates companies algorithmically based on compensation data. Rank is determined by calculating the median percentile of all salaries entered for a company.
